Dear Families,

The registration for Fall, 2009 will again be by family lottery so that all families have an equal chance of getting into the class of their choice. Registration will run the week of January 12 – 16. Forms and checks will not be accepted until January 12. We are asking that all registrations forms and fees be returned to the school by Friday, January 16. Please indicate your first, second, and third choice (if possible) for classes. Information about class placement will be available the week of January 19. Children not receiving your first choice will be placed on waiting lists and enrolled in your second or third choice.

The registration fee is \$80 for the first child and \$75 for each additional child. One month's tuition is also due at the time of registration but will be refunded if your child is withdrawn prior to July 1, 2009. Please place your registration form and check in the folder on the bulletin board located outside the preschool office. Please be sure to include a first, second and third choice. Children enrolled in a two day 3 year old program must enter a 3 day Young 4 or 3 day Pre-K class.

Please see me if you have any questions about the registration procedure.

Sincerely,

Kelly Campbell, Director

Dear Families,

Thank you for your interest in Salem Pre-School. The registration procedure for fall 2009 will again be by family lottery. The school should receive all registrations forms and fees between January 12 through January 16. Please send the \$80.00 registration fee and one month tuition for your first choice. Please make checks payable to Salem Preschool and mail to: Salem Preschool, Wexford, PA 15090, or dropped off at the school located in the Salem United Methodist Church at 350 Manor Road in Wexford. Please indicate your first, second, and third choice (if possible) for classes. If we are unable to place your child in a class, your child will be placed on a waiting list and your check for registration and tuition returned. It is important to remember that many changes will occur in the class lists before September, and that it is usual for many children on waiting lists to be placed in classes.
